

PT Priority 2007 Editorial Calendar

The Official Newsletter of the Illinois Physical Therapy Association

February/March Benefits of Membership: Direct Access

The focus of this issue is the possibilities that would present and changes that would occur in practice if we acquired unrestricted direct access.

April/May Benefits of Membership: Advocacy in Action

The focus of this issue is current and future legislative efforts and how members can influence these efforts thereby advancing the profession of physical therapy.

June/July Benefits of Membership: Focus on Ethics

The focus of this issue is to provide members with information regarding professional ethics, how to manage common ethical problems in clinical practice and resources that are available to assist with ethical decision making.

August/Sept Benefits of Membership: Tandem issues of PT Priority and Special Non-Member Edition

Your work/life balance
Clinical specialization/Advanced proficiency
Information to help practitioners decide if the Transitional DPT is right for them.

October/Nov Benefits of Membership: PT Education today

The focus of this issue is to inform members of student issues, and to inform members about current trends in teaching, research and service provided in education settings.

Dec/Jan Benefits of Membership: Professionalism

The focus of this issue is to provide members with a format for discussing the growing importance of professionalism within PT practice as we move towards autonomous practice.
